Our Story

SenAmore Vineyard & Farms is located in Tellico Valley, near Franklin, NC and is the only vineyard and winery producing local wines in Macon County. From European settlers to the prehistoric ancestors of the Cherokee, this enchanting land is steeped in history and the perfect terroir for our unique wines.

In 2011, while restoring our 1878 family farmhouse, we discovered the distinctive "Slanted Window" that had been previously covered over with siding. Peering from behind that window on the second floor porch was a beautiful view of the sky and vineyard.

The "Slanted Window" namesake gave us pause to consider different perspectives, not unlike the journey of winemaking and wine tasting. So, pull up a chair and have a sip, because one glass can lead to a lifetime of memories.
